**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

AllPro Sustain MBG is a highly selective microbial insecticide effective against mosquitoes in a variety of habitats. Apply AllPro Sustain MBG to any water sites, except for treated, finished drinking water reservoirs or drinking water receptacles when the water is intended for human consumption.

AllPro Sustain MBG can be applied to areas that contain aquatic life, fish and plants. AllPro Sustain MBG can be applied to areas used by or in contact with humans, animals, horses, livestock, pets, birds or wildlife.

---

**SPECIFIC APPLICATION INSTRUCTIONS:**

Apply 5 – 20 pounds of AllPro Sustain MBG per acre with conventional aircraft or ground equipment. Use higher application rates in heavily polluted water, when mosquito populations are high, when larvae are nearly grown or in fourth instar, and/or when aquatic or covering vegetation is dense. Most treatments require not more than 7.5 pounds of AllPro Sustain MBG per acre. Apply only against mosquito larvae not pupae.

**PRE-FLOOD APPLICATION:** AllPro Sustain MBG may be applied pre-flood (pre-hatch) to breeding sites that flood intermittently. Monitor treated areas periodically for the presence of 3rd and 4th instar larvae.

Avoiding spray drift at the application site is the responsibility of the applicator. The interaction of many equipment- and weather-related factors determines the potential for spray drift. The applicator and the treatment coordinator are responsible for considering all these factors when making decisions.

---

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**Pesticide Storage:** Store in a cool, dry place.

**Pesticide Disposal:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**Container Handling:** Nonrefillable container. Do not reuse or refill this container. Completely empty bag into application equipment. Then, offer for recycling if available, or dispose of empty bag in a sanitary landfill or by incineration or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

---

**READ ENTIRE LABEL BEFORE USING**

Read the entire Directions for Use and Conditions before using this product. By using this product, User and Buyer accept the following Conditions.

**CONDITIONS:** The Directions for Use of this product are believed to be adequate and must be followed carefully. However, it is impossible to eliminate all risks associated with the use of this product. Injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Value Garden Supply. All such risks shall be assumed by the User or Buyer.
